Subject: RE: San Mateo - EPA DOI
Attachments: EPA R6 Removal Activities_Presentation for DOE-DOI_04122021.pdf

Attached, as requested, are the OSCs' slides from the presentation this afternoon on surface contamination in the Ambrosia Lake Study Area. Since I'm not the meeting organizer, I don't think Webex allows me to send this to all who attended the call, but please forward them on to other meeting attendees who may be interested. Many thanks.

-----Original Appointment-----
